

Traffic Lights	With Passes	Without Passes
	In all scenarios children under the age of 12 are considered to have a valid vaccination pass as they are unable to be vaccinated, and are counted in the numbers allowed. Numbers exclude workers.	
Red	At RED, action is needed to protect at-risk people and protect our health system from an unsustainable number of hospitalisations.	
	Maximum of 100 people in a space (dependent on 1m <sup>2</sup> of space per person)	Maximum of 25 people in a space
	This means we can run our classes relatively freely, and even hold a limited competition or event We can also hold casual Kittens class, host groups, and Have A Go sessions	Competitive would be training at home one day per week, and limited training on others, dependent on step. Training would start later to accommodate rec classes. Some re class numbers could need to be restricted.
Orange	At ORANGE there will be community transmission, with pressure on our health system. The whole of health system is focusing its resources on managing Covid-19 demands, but can still deliver primary care, public health, and hospitals. There may also be an increasing risk for at-risk people	
	No limits on numbers	Maximum of 50 people in a space
	This means we can run our classes and events with no restrictions We can also hold casual Kittens class, host groups, and Have A Go sessions	Competitive would be training at home one day per week to reduce numbers in the gym
Green	At GREEN, Covid-19 is across New Zealand, including occasional imported cases. Community transmission is limited, and Covid-19 hospitalisations will be at a manageable level. The health system will be ready to respond, including primary care, public health, and hospitals.
